Convenient: use your EC card as a *GeldKarte*

Now travel on local transport **using the *GeldKarte***

A lot of people are still unaware:
that every EC card with a chip is also a *GeldKarte*.

So what are you waiting for?
Why not get to know the additional advantages today?

It's simple, just load it up and then start spending.

You can load your *GeldKarte* chip with up to 200 EUR.
Loading terminals are available in all branches of Sparkasse,
for example. Then off you go.

Both practical and flexible

Now you can pay the correct amount every time without the need for small coins, and you'll never need to check to see if you've been given the correct change. No cash but always enough funds. And with the *GeldKarte* in your pocket you're always be that little bit more flexible. Plus, for every ticket you buy without cash we will reward you with a reduced price.

Buying tickets without cash at ticket machines.

We've made it convenient for you to pay without cash using the *GeldKarte* at all 400 DB ticket machines in the MVV.

So, all you need to do is:

- Select your destination
- Insert your *GeldKarte*
- Validate your ticket
- And off you go!
